The steps we take if you make a complaint

Acknowledge...

We will acknowledge your complaint:

- immediately, if you have complained to us over the phone; and
- within 2 working days of receiving the complaint, if you have lodged your complaint through any other channel including sending an email.

When we acknowledge your complaint we will give you a unique reference number or similar to enable you to easily follow up on your complaint.

We will also give you an indicative timeframe for resolving your complaint. You can follow up on your complaint by calling **1300 354 788** during business hours indicated above.

Timeframes for resolving your complaint

Our goal is to always endeavour to resolve your complaint during your first contact with us.

Sometimes this is not possible and we need to investigate the matter. If this happens we will then agree with you on how to fix your problem (this may include waiving of fees or other commercial solutions) and advise you accordingly within 5 working days of receiving your complaint. If you request us to do so, we will advise you of this in writing. If your complaint is urgent please read the next section below.

Occasionally it may take longer, up to 15 working days, to investigate your problem and in this case we will explain why and give you a new expected timeframe.

If the delay is expected to be more than 10 working days we will also inform you about your options for external dispute resolution such as the Telecommunications Industry Ombudsman (TIO).

What if your complaint is urgent?

Your complaint will be treated as urgent if:

- you have made an application under our Financial Hardship Policy (and your application has been approved) and the issue you are complaining about directly contributes to the financial hardship you are experiencing; or
- if your service has been disconnected or is about to be disconnected and due process has not been followed,

Please note: Flip TV does not provide Priority Assistance for Voice over Internet Services.

In this case we will agree with you on how to address the issue and implement all required actions to fix the issue within 2 working days of receiving your complaint.

If there is any delay, we will (within the 2 working day period referred to above) explain why, provide you with a new expected timeframe and inform you about your options for external dispute resolution such as the Telecommunications Industry Ombudsman (TIO).

How do we classify your complaint?

Following receipt of your complaint, we will determine your complaint as falling into one of the following categories:

How we escalate your complaint?

If our representatives are not able to resolve your complaint, your complaint will be escalated to a Senior Representative for further assistance.

If a Senior Representative has been unable to resolve your complaint, our Complaints Manager will take over the complaint.

If you are not already dealing a Complaints Manager, you may reasonably request to have your complaint escalated.

The Complaints Manager will:

- make an initial assessment of your complaint; and
- conduct an investigation and propose a resolution to your complaint;

within 15 working days of us receiving it, depending on the complexity of your complaint.

Should we require additional time or interaction with you we will contact you directly and advise of any revised time frame and the reason for it.

The Complaints Manager will contact you with a response and resolution and follow this up in writing confirming the date the resolution was or will be implemented.

If you tell us that you are not satisfied with the response times that apply to the handling of your complaint, we will, within 5 working days (or 2 working days for Urgent Complaints), advise you about our escalation processes and your options for external dispute resolution.

We will keep you updated with the status of your complaint and you may contact us either by phone or by email with your account details or complaint reference number to request a status update.

How do we monitor your complaint?

We will keep you updated with the status of your complaint and you may contact us either by Telephone or by email with your account details or complaint reference number to request a status update.

Our Complaints Manager will also provide you with their direct contact details upon your complaint being raised or escalated.

Where relevant, we will let you know any reasons for any delay as soon as practical and a specific timeframe for resolution.

Resolution of your complaint

When your complaint is resolved we will let you know either verbally (via telephone) or in writing (via email) of the outcome of your complaint. If you prefer a specific method of contact, please let us know when you raise/escalate the complaint.

We will not be able to implement the resolution until you have accepted it. Once you have accepted it, we will implement it within 10 working days (or within 2 working days for Urgent Complaints, unless you:

- have agreed to another time frame; or
- where resolution required some action from you and you have not yet completed that action.

Where your complaint has been escalated to the Complaints Manager we will follow up in writing confirming the date the resolution was or will be implemented.

We will not close your complaint without your approval, except where your complaint has already been appropriately escalated within Flip TV and where:

- you've told us that you're not satisfied with the progress or resolution of your complaint and in response we have advised you of your options for external dispute resolution, including the TIO; or
- we have not been able to contact you for more than 10 working days after an attempt to contact you in writing; or
- after careful consideration,:
 - we reasonably believe there is nothing more we can do to resolve your complaint; and
 - we reasonably believe that your behaviour or complaint is **frivolous or vexatious** and within 5 working days of reaching this view, we have advised you of this decision (and the reasons why) and explained your options for external dispute resolution. We will confirm these matters with you in writing within 5 working days of your request for us to do so.

We will never cancel your service for the sole reason that we have been unable to resolve your complaint to your satisfaction and you have chosen to contact an external dispute resolution scheme in relation to your complaint.
